We hope you enjoy reading about all of the exciting things our students are up to!

Culinary Parent Reception, Thursday September 22nd

We invite you to join us for a reception to welcome the families of our culinary students. Meet the instructors and para-educators, tour the facilities, learn about the program, and sample light refreshments prepared by our culinary seniors. Keep an eye out for more information coming soon!

Carcajou Restaurant to Open Soon!

Beginning at the end of October, the senior Culinary students will begin their hands-on practicum in the student-run restaurant. The restaurant is open to DCTS staff as well as the public and provides a wonderful, real-world practice opportunity for our students. Senior students take turns rotating through various stations in the kitchen, bakeshop and dining room. The restaurant will be open to the public most Thursdays and Fridays throughout the school year.

We invite you to dine with us and support our students' hard work!
