What WE Do

The DCTS Education Foundation is a 501(c)(3) non-profit organization whose purpose is to provide supplemental funding and support for school initiatives and innovations to benefit the students in our learning community.

Foundation GOALS

- ➔ Support educational opportunities and/or professional development for DCTS Professional staff through mini-grants.
- ➔ Support post-secondary opportunities to DCTS students through scholarships.
- ➔ Support DCTS infrastructure improvements.
- ➔ Support educational opportunities for students who attend DCTS.

Who WE ARE

The purpose of the DCTS Education Foundation is to generate funds to support a wide array of enrichment endeavors, including educational, technical, professional and/or other related activities to benefit the DCTS community.

Funds generated through this foundation will be used to promote educational achievement at all levels including professional development, training, and post-secondary scholarship opportunities for students and professional staff. The Foundation will work to enhance infrastructure in and around the DCTS community.

When applied the funds raised through DCTS Education Foundation will develop collaborative, high-quality contributors to the economic and cultural life of the Dauphin County community. Students grow to become civically engaged, economically self-sufficient, and life-long learners with the shared goal of giving back to the community.
