Company Location/Address: 1421 Stoneridge Drive, Middletown, PA 17057

Position(s) /Job Title(s): Service Technician-Installer

Job Description: Learn a new trade from an exceptional group of service technicians and installers. Central State Door Service is a family atmosphere culture and we continue to experience rapid growth. We are pleased to offer you a unique opportunity to use your skills and expand upon them towards a niche career that offers full time steady work year-round. We specialize in repair services and installation of residential garage doors, electric openers and entry doors. For our many commercial/industrial customers, we offer repair services and installation of overhead type doors, electric operators, rolling steel doors, fire doors, high speed doors, man-doors, dock levelers, truck restraints and dock seals. Consistent overtime pay available, double-time pay for emergency service, company-wide incentive program, quarterly safety bonus, annual reviews and on call compensation. Advancement opportunities available based upon performance and various certifications. All expenses related to certifications are paid by the company. We provide paid training and only the very best tools of the trade, technicians only need basic hand tools. This employment opportunity offers a wide range of variety, as each day includes new tasks, challenges and customer locations within Central PA. Our benefits package includes, Health, Dental, Disability, Life as well as optional Aflac pre-tax coverages. Company provided iPad and iPhone, as well. Also included is a Simple IRA Retirement Plan that offers company matching. Our retirement plan offers you full vesting from day one of sign up. We invite you to JOIN our team of exceptionally talented people.

Type of Position: Full-time, Permanent, Internship Paid

Position Available on: 03/21/2018

Additional Information: Pay rate is based upon your relevant abilities. Starting range: \$13-\$15/hr.
