Position(s) /Job Title(s): Emergency Vehicle Installer

Job Description: Apply online at: <https://lbbassociates.applicantpro.com/jobs/659623.html>

Do you love wiring cars and lighting? Have one (1) or more years of experience installing car radios, car alarms, body work and more in a fast-paced shop or related experience? We are hiring emergency vehicle installers at our Middletown, PA manufacturing facility outside Harrisburg. Primary responsibilities are installing, testing, repairing and removing 12-volt law enforcement vehicle equipment, including, but not limited light bars, flashers, sirens, radios, speakers, antennas, routers, video cameras, laptops, printers, consoles, transport partitions, K-9 cages and more. This will include working on new vehicles, upgrading existing vehicles and servicing prior installs.

Primary Duties and Responsibilities

Install emergency equipment into law enforcement vehicles

Remove and re-install OEM vehicle interior trim

Install electrical wiring, connect electrical fittings, drill holes, soldering and perform all physical tasks associated with modifying vehicles for the acceptance of emergency-related equipment

Develop wiring routes throughout the vehicle for the most efficient wiring path and enable future replacement and/or troubleshooting

Troubleshoot and diagnose problems with equipment as necessary

Dis-assemble and reassembly of a diverse range of vehicle makes and models, including sedans, SUVs, motorcycles, ATVs.

Maintain safe, clean and orderly tools and work area

Continuous learning in new products, skills techniques from colleagues and manufacturers

Assist with parts, shipping, receiving and inventory as needed

Complete all required paperwork and documentation

Other duties as needed or required

Qualifications & Skills

Experience: 1 year of automotive wiring or related experience in a fast-paced shop.

Skills: Must possess the drive and aptitude to work safely with tools and understand auto wiring.

Self-motivated. Work well under pressure in fast-paced environment. Have a valid driver's license and clean driving record. Able to pass a background check. Be able to follow directions; evaluate problems and prioritize tasks. Ability to work well in small teams.

Preferred: Experience installing into law enforcement vehicles,

Working Conditions

Work inside and outside vehicles inside a shop environment
Occasional local travel for equipment pickups, deliveries and onsite installations
Frequent lifting objects up to 50 lbs.
Some overtime or weekend hours may be required to fulfill time sensitive projects
Benefits

Paid holidays and personal time off
Medical, vision and dental plans
Life and disability insurance
401K plan
Tuition reimbursement plan
Participation in company incentive plans

The requirements listed above are representative of the knowledge, skill and/or ability required.
Reasonable accommodations may be made to enable qualified individuals with disabilities to perform the essential functions. Must be able to successfully complete a drug/alcohol test and criminal background check. May be required to obtain and maintain a security clearance, including successfully completing a thorough background screening. Must have a valid driver's license and safe driving record within the past 36 months, as defined by Company policy.
