

Scholarship Opportunities

The Colonial Park Rotary offers (4) scholarships opportunities for DC Tech students....

Norman Hetrick Scholarship – students pursuing any degree at Harrisburg Area Community College. The scholarship will fund the first year and potentially the second year of their program.

Engineering Scholarship – a student pursuing an Engineering Degree at any college or university

Nursing Scholarship – a student pursuing a Nursing Degree at Harrisburg Area Community College

Rotary Club - \$1,000 scholarship for a student pursuing any post-secondary... trade, technical school, 2 year, 4 year institutions for any degree or program of study

The scholarship applications need to be handed into the Guidance Office at DC Tech by the end of the month (3/31/2017), as the Guidance Office needs to get completed applications to the Rotary by 4/14.

Other Scholarships....

2017 Work Ethic Scholarship – sponsored by Mike Rowe of Dirty Jobs. A pile of money offered to students planning to pursue post-secondary education for a skilled trade. The applications are found on line and the Guidance office can provide more details to those interested.

Homebuilders Association – sponsored through TFEC (Foundation for Enhancing Communities). Looking to offer 10 – 12 scholarships to students planning to pursue higher education. Last year they awarded \$10,000.

Homebuilders Sales/Marketing – sponsored thru TFEC

TFEC – sponsors many other scholarships, which can be found at www.tfec.org. All of the applications are online but there are items that need to be completed and uploaded, such as transcripts, recommendation letters, and Guidance Counselor form. Deadlines are April 1

Many other scholarship opportunities, which can be found at DC Tech's website under "Student Resources" and then Scholarship Opportunities.

Deadlines for some of these opportunities are quickly approaching.
