

Greetings DCTS 9th Grade Parents,

Your 9th grade student will be placed in a permanent career and technical program on Tuesday, December 2, 2020, the day we all return from Thanksgiving break. The assignments will be posted that morning in the same building locations where your 9th grader found their first day career assignments (lobby, cafeteria). **It is imperative that you, along with your student, fill out and complete their final application by November 23rd, no later than 5:00PM. All assignments for the exploratory program are also due by that deadline.** If the application is submitted after that deadline the career assignment will be made after all timely applicants have been placed.

The final application is available online, and can be accessed using your parent username and password. I suggest that you make sure early that you can get into Power School. If you experience difficulties please call the Guidance Office. I cannot help you.

Please follow these directions after you sign into your parent Power School account.

1. Click on “Forms” left side of screen.
2. Select “9th Grade Program of Study Final Selection Form”.
