

Creating a Parent PowerSchool account

1. Visit www.dcts.org and click on the *Student Resources* tab
2. Click on the PowerSchool icon 
3. On the PowerSchool page click the *Create Account* tab and click the *Create Account* button:

4. Fill in all the pertinent information including the *Access ID* and *Access Password* provided to you. If you do not have an Access ID or Password contact the guidance office.

Parents may enter the information for up to seven students when initially establishing their account. If they need to add additional students they can do so after establishing the account by signing in and navigating to **Account Management > Students**.
