Media Release

Dauphin County Technical School relies on photos and videos of our students to publicize the good things happening in our schools. Images of students are used in district newsletters, press releases, brochures, the district website and social media as well as in newspapers and television coverage.

Whenever possible, the district identifies by name students who are visible in published photographs or films (with the exception of the district website where student last names are not associated with photos).

If you **DO NOT** have your child photographed or video-recorded, please select **I DO NOT** give my permission below to have my child placed on the **Do Not Photograph** list for the school year.

Note that students engaged in public performances (concerts, academic bees, talent shows, plays, etc) **may be photographed or filmed** as the district assumes no responsibility for enforcing the photograph restrictions in a public venue.

Agreement/Acknowledgement

- I DO** give my permission for my child to be photographed (still or motion) and/or tape recorded (audio or video) by employees of the Dauphin County Technical School, its education partner organizations and/or agents of the media.
- I DO NOT** give my permission for my child to be photographed (still or motion) and/or tape recorded (audio or video) by employees of the Dauphin County Technical School, its education partner organizations and/or agents of the media. *(Please note that this does not include the school yearbook)*
