

Book	Policy Manual
Section	800 Operations
Title	Food Services
Number	808
Status	Active
Adopted	February 14, 2018

Purpose

The Joint Operating Committee recognizes that students require adequate, nourishing food and beverages in order to grow, learn and maintain good health. The Joint Operating Committee directs that students shall be provided with adequate space and time to eat meals during the school day.

Authority

The food service program shall be operated in compliance with all applicable state and federal laws and regulations, as well as federal guidelines established by the Child Nutrition Division of the United States Department of Agriculture (USDA).[1][2][3][4][5][6][7][8][9][10]

Dauphin County Technical School shall ensure that, in the operation of the food service program, no student, staff member, or other individual shall be discriminated against on the basis of race, color, national origin, age, sex or disability.[11][12]

Food sold by Dauphin County Technical School may be purchased by students and school employees but only for consumption on school premises. The price charged to students shall be established annually by the school in compliance with state and federal laws.[4][13]

Nonprogram food shall be priced to generate sufficient revenues to cover the cost of such items. A **nonprogram food** shall be defined as a food or beverage, other than a reimbursable meal or snack, that is sold at the school and is purchased using funds from the child nutrition account. Nonprogram foods include but are not limited to adult meals and a-la-carte items. All revenue from the sale of nonprogram food shall accrue to the child nutrition program account.[13][14]

Delegation of Responsibility

Operation and supervision of the food service program shall be the responsibility of the Food Services Director.

The individual responsible for the operation and supervision of the food service program shall present to the Joint Operating Committee each month for its approval a statement of receipts and expenditures for cafeteria funds.[4]

Cafeterias shall be operated on a nonprofit basis. A periodic review of the cafeteria accounts shall be made by the Business Manager and auditor.[3][4]

The individual responsible for the operation and supervision of the food service program shall ensure that school meals meet the standards required by the School Breakfast Program, the National School Lunch Program and the Special Milk Program.[2][3][4][6][7][8][9][10]

The Administrative Director or designee shall comply with state and federal requirements for conducting cafeteria health and safety inspections and ensuring employee participation in appropriate inspection services and training programs.[15][16][17][18]

The Administrative Director or designee shall develop and disseminate administrative regulations to implement this policy.

The Administrative Director or designee shall annually notify students, parents/guardians and employees concerning the contents of this policy and applicable administrative regulations. Notification shall include information related to nondiscrimination.[11]

Guidelines

To reinforce the school's commitment to nutrition and student wellness, foods served in the school cafeteria shall:[19]

1. Be carefully selected to contribute to students' nutritional well-being and health.
2. Meet the nutrition standards specified in law and regulations and approved by the Joint Operating Committee.
3. Be prepared by methods that will retain nutritive quality, appeal to students, and foster lifelong healthy eating habits.
4. Be served in age-appropriate quantities, at reasonable prices.

Dauphin County Technical School shall use USDA Foods for school menus available under the Child Nutrition USDA Foods Programs.

All funds derived from the operation, maintenance or sponsorship of the food service program shall be deposited in the separate cafeteria fund, in the same manner as other school funds. Such funds shall be expended in the manner approved and directed by the Joint Operating Committee, but no amount shall be transferred from the cafeteria fund to any other account or fund; however, advances to the food service program may be returned to the school's general fund from any surplus resulting from its operation.[4]

Surplus accounts shall be used only for the improvement and maintenance of the cafeteria.[4]

Free/Reduced-Price School Meals and Free Milk

Dauphin County Technical School shall provide free and reduced-price school meals and/or free milk to students in accordance with the terms and conditions of the National School Lunch Program, the School Breakfast Program and the Special Milk Program.[20][21]

Dauphin County Technical School shall conduct direct certification three (3) times per year using the Pennsylvania Student Eligibility System (PA-SES) to identify students who are eligible for free school meal benefits without the need for submission of a household application. Direct certification shall be conducted:[20][21]

1. At or around the beginning of the school year.
2. Three (3) months after the initial effort.
3. Six (6) months after the initial effort. Dauphin County Technical School may also conduct direct certification on a weekly or monthly basis.

Accommodating Students With Special Dietary Needs

Dauphin County Technical School shall make appropriate food service and/or meal accommodations to students with special dietary needs in accordance with applicable law, regulations and Joint Operating Committee policy.[22][23][24][25]

School Meal Service and Accounts

To ensure the effective operation of the school's food service program and delivery of school food program meals to students, the school shall:

1. Assign individual school meal accounts to each student for the purchase of meals served in the school cafeteria, which ensure that the identity of each student is protected.
2. Notify parents/guardians with DCTS Robotic Calling System when the student's school meal account reaches a negative balance of two (2) meals.
3. Notify parents/guardians with a Confidential Letter home when the student's school meal account reaches a negative balance of five (5) meals. The notice shall include information on payment options and provide the application for the free/reduced-price school meal benefits to the parent/guardian to apply for benefits under federal school meal programs.[3][20][21]
4. When a student's school meal account reaches a negative balance of five (5) meals, the Food Services Director will attempt to contact the parent/guardian by telephone and have the parent/guardian apply for participation in the free/reduced-price school meal benefits.[3][20][21]
5. When a student's school meal account reaches a negative balance of eight (8) meals, the school will send a Confidential Letter home to the parents/guardians by certified and regular mail.
6. When a student's school meal account has a negative balance in excess of \$50.00, the account may be referred to a collection agency or a civil complaint may be filed with a Magisterial District Judge.
7. The school shall provide a school food program meal to each student who does not have the money to pay for the school food program meal or who has a negative balance in his/her school meal account, unless the student's parent/guardian has specifically provided written notice to the school to withhold a school food program meal.[3]
8. Communications regarding money owed by a student for school meals shall be made to the student's parent/guardian, not the student, unless the student is an emancipated minor.[3]

Dauphin County Technical School shall be prohibited from:[3]

1. Publicly identifying or stigmatizing a student who cannot pay for a school food program meal or who has a negative school meal account balance.
2. Requiring a student who cannot pay for a school food program meal to perform chores or other work to pay for the meal, unless chores or other work are required of all students regardless of their ability or inability to pay for a school food program meal.
3. Requiring a student to discard a school food program meal after it was served to the student due to the student's inability to pay for the meal or due to a negative school meal account balance.

This policy and any applicable procedures or administrative regulations regarding school meal charges and school meal accounts shall be communicated annually to Dauphin County Technical School administrators, school food service personnel, other appropriate staff, and contracted food service personnel.

Dauphin County Technical School shall provide parents/guardians with a written copy of this policy and any applicable procedures or administrative regulations at the start of each school year and when a

student enrolls in the school after the start of the school year.

Dauphin County Technical School shall annually inform parents/guardians, students and staff about the contents of this policy and any applicable procedures via the school website, student handbooks, newsletters, posted notices and/or other efficient communication methods.

Collection of Unpaid Meal Charges

Reasonable efforts shall be made by the school to collect unpaid meal charges from parents/guardians. Efforts taken in the collection shall not have a negative impact on the student involved, but shall focus primarily on the parents/guardians responsible for providing funds for meal purchases.

Procurement

Procurement of goods or services for the food service program shall meet the requirements of applicable law, regulations and Joint Operating Committee policy and procedures.[26][27][28]

Professional Standards for Food Service Personnel

Dauphin County Technical School shall comply with the professional standards for school food service personnel who manage and operate the National School Lunch and School Breakfast Programs. For purposes of this policy, **professional standards** include hiring standards for new food service program directors and annual continuing education/training for all individuals involved in the operation and administration of school meal programs. Such professional standards shall apply to both school operated food service programs and contracted food service programs.[6][7][18][29]

School Food Safety Inspections

Dauphin County Technical School shall obtain two (2) safety inspections per year in accordance with local, state, and federal laws and regulations.[16][17][30]

The school shall post the most recent inspection report and release a copy of the report to members of the public, upon request.

School Food Safety Program

Dauphin County Technical School shall comply with federal requirements in developing a food safety program that enables the school to take systematic action to prevent or minimize the risk of foodborne illness among students.[8][10][16]

Dauphin County Technical School shall maintain proper sanitation and health standards in food storage, preparation and service, in accordance with applicable state and local laws and regulations and federal food safety requirements.[17][30][31]
