ABOUT US:

Founded in 1991, NAPA Transportation, Inc. (NAPA) is a family owned & operated truckload carrier that provides logistical solutions for companies across the United States. Ronald Accomando founded NAPA with just 4 trucks and a specific vision in mind. After spending years as a Driver himself, Ron envisioned a workplace where Drivers were treated with respect and not just known by their truck number. He wanted his

company to be driver focused and have a family feel culture. Since then, Ron's son, Nic has taken the wheel from his dad and now runs the day-to-day operation as the President. Through hard work and the determination to succeed, NAPA has continued to grow, year after year. Today, NAPA operates over 1900 pieces of company-owned equipment and proudly employs over 500 hardworking employees (throughout 5 terminals) while continuing to uphold our unique family culture.
