Office Approval: _____ Date: _____

Initial Parking Sticker Fee: \$25

Each Additional Sticker: \$2

Rules and Regulations for Driving and Parking **On the Property of Dauphin County Technical School**

Driving a vehicle onto school property is a privilege and may be suspended or revoked at the sole discretion of the school administration.

Because transportation is provided for all students attending Dauphin County Technical School, those wishing to drive and park on the campus must abide by the following rules and regulations:

1. Parental permission and administrative approval must be granted in writing before the vehicle can be brought onto school property.
2. The sticker/permit must be displayed in the rear view mirror of the vehicle. Sticker/permit is NOT transferrable to other vehicles, including those owned by the same student.
3. By signing the **Transportation Permission Form**, I understand that I am giving Dauphin County Technical School officials *the right to search my vehicle at any time; random searches of vehicles may be carried out at the discretion of the school administration.* Vehicle searches may include K-9 or manual searches.
4. Only the registered driver of the vehicle may drive the vehicle on campus. All student driven vehicles must be parked in designated student parking only.
5. Students are not permitted to loiter in or about parked vehicles in the parking lot.
6. Once a vehicle is brought onto school property, you should remove the keys, lock the car, and enter the building. Loitering or leaving school property after the vehicle is parked is prohibited.
7. Extreme caution should be taken when driving on campus. Fifteen miles per hour (15 mph) is the maximum speed limit on school property. Driving privileges will be suspended or revoked for careless or reckless driving. Excessive horn blowing or other nuisance behavior may result in suspension of this privilege.
8. Dauphin County Technical School is not responsible or liable for any items that may be stolen or go missing while the vehicle is parked on school property.
9. No vehicle is to be driven off school property with more occupants than the vehicle has capacity for which all occupants are properly seated and restrained with an occupant restraint system (seat belts) fastened! Failure to wear seatbelts may result in suspension of parking permit.
10. Students will NOT be permitted to go to their vehicle once school is in session.
11. Radios or other devices shall not emit sounds beyond the vehicle interior while on school property.
12. Registration of a vehicle and driver will be for one school year only. Should another vehicle be acquired during the school year, the second vehicle must be registered also. Parental signatures are required for all parking forms, regardless of student's age.
13. Student drivers will only be dismissed early on days of inclement weather when their respective home school is dismissed. Students are encouraged to use their home school transportation during inclement weather.
14. The parking sticker remains the property of Dauphin County Technical School and must be surrendered on demand of any school official.
15. Traffic patterns set by the administration must be followed. Directions of all school personnel and other persons authorized to direct traffic must be complied with at all times.
16. An infringement of any of the above rules may result in suspension or revocation of the student's driving privileges. Driving privileges may be suspended or revoked for other school infractions such as tardiness or unlawful/unexcused absences.
